Christmas for the Kids

Dear Friends,

As a result of your partnership and giving, several of the village churches in Yucatán provided gifts and meals as they ministered to children during our “Christmas for the Kids” programs in December.

Each church celebrated with food, piñatas, and gifts for the children; it was a real fiesta!

Most importantly, they shared the Bible story of the birth of Christ - not as a religious event but as a fundamental part of God’s plan of redemption for mankind.

Pastor Eduardo stated it well when he said, “Thanks to all who gave so we could carry out this event. The blessing is that boys and girls accepted Christ today!”

A big thanks to each of you who gave so these Yucatecan children could have a special Christmas and hear about the gift of Salvation through faith in Christ.

Let’s continue partnering for the cause of Christ in 2026!

Sincerely,

Roy and Edi Seals
